6-500 PERMITTED OBSTRUCTIONS IN REQUIRED YARD AND OPEN SPACES

IN ALL YARDS

- Open terraces not over 4' above the average level of the adjoining ground but not including a permanently roofed-over terrace or porch, awnings and canopies.
- Steps 4' or less above grade which are necessary to provide access to a permitted building, or for access to a building lot from a street or alley.
- Chimneys projecting 24" or less into the yard but not occupying more than 2% of the required yard area.

IN FRONT YARDS

- One-story bay windows, balconies and over hanging eaves or gutters, none of which shall project more than 4' into a required yard.
- Trees having single trunks shall be permitted when lower branches are pruned to a height of 7' above said grade to prevent obstruction to traffic.

IN SIDE YARDS

- Bay windows, overhanging eaves or gutters projecting 2' or less into a required yard, but in no case shall such eaves or gutters be closer than 3' from the side lot line.

IN REAR YARDS

- Detached off-street parking structures; open off-street parking spaces; tool rooms; and, similar buildings or structures for domestic or agricultural storage, balconies, breezeways and open unroofed porches, one story bay windows and overhanging eaves or gutters. All such permitted obstructions shall be a minimum of 5' from all property lines.
- Obstruction to view that may constitute traffic hazard shall not be permitted. On corners or on street curves of more than 60 degrees, when doubt may exist regarding sight obstructions, the approval of the Traffic Engineer shall be required. All costs related to obtaining approval of a Traffic Engineer shall be borne by the property owner and/or applicant.
- No obstructions of any kind shall be placed within 20' of any corner or street curves of more than 60 degrees.

Additional zoning regulations may apply, including non-residential uses and home occupations uses, accessory building regulations, landscaping regulations, etc...

Additional regulations exist including but not limited to: Fire & Safety Code, Building Code, etc...
