By signing this application, I acknowledge and understand that failure to pay the water bill by the due date will subject my account to late fee of 10%. If the water bill is not paid within 15 days after the due date, I understand that my privileges of loading water will be terminated and myself or company will not be allowed to load any additional water until payment of all charges and service fees, if any, are paid in full. Utility Ordinance No. 0-08-03, Schedule IV. I further understand that it is my (or authorized driver's) responsibility to complete loading tickets in full when water is loaded at the water plant. Failure to complete any portion of a load ticket is no excuse for non-payment.
